

Current Naming Opportunities

Match your philanthropic spirit with The Scarborough Hospital's plans for the future by making a named gift donation.

Create a legacy for yourself, a loved one, a friend, your company or your organization.

A named gift donation is special. It requires a significant commitment and it provides meaningful rewards. By making a named gift you will be creating a long-lasting reminder of your commitment to the hospital for all to see and celebrate, now and in the future.

There are many naming opportunities to select from. Whatever option you choose, you will become an integral part of your community hospital.
