

Legacy Intent and Membership

Leaving a gift in your Will to Scarborough Health Network Foundation (SHN Foundation) is a simple and meaningful way to be remembered. Your bequest will ensure that people in your community – your neighbours, friends and loved ones – will be able to count on the very best care close to home, today, tomorrow and for generations to come.

If you have already included SHN Foundation in your Will, you will be enrolled as an esteemed member of our Legacy Circle.

Benefits of Membership:

The Legacy Circle is our way of honouring and celebrating you for having remembered SHN Foundation in your estate plan. You will be invited to an annual luncheon and meet like-minded supporters who share your commitment to the three hospitals within our health network. You will enjoy a sense of community and build friendships. You will also learn firsthand how your legacy will be used. In addition, by sharing your story, you will inspire others to follow your example and create their own legacy.

I wish to remain anonymous.
