To transfer securities:

Requisite arrangements and documentation will vary depending upon a number of factors. Clear communication in advance of the transfer will prevent delays and minimize complications.

Information needed for transfers:

- whether the donation is to be received from an individual or a corporation;
- in the case of securities, the name of the security to be transferred;
- whether the donation is to consist of a specified number of units -- and if so, how many -- or a specified "value" (e.g. \$10,000 "worth" of shares);
- whether the donation will be transferred in "certificate" (paper) form or electronically;
- where the security to be donated is currently situated (e.g. with a broker, trust company, investment counseling firm, in a safety deposit box, etc);
- the names and telephone numbers/fax numbers/email addresses of those who will be acting on the donor's behalf in the transfer process (e.g., broker's name and telephone number);
- the target transfer date.

To transfer cash directly to Scarborough Health Network Foundation's account for the purposes of making a philanthropic gift, please reference the attached list of accounts.

Please provide this information to CIDEL as soon as possible.
